March 7, 2018

Milor High School requests the Board of Education accept the Target Field Trip Grant from the Target Foundation in the amount of \$700.00.

The Target Field Trip Grant program is providing donations to K-12 schools nationwide that propose to use the grant money to assist in funding a field trip for the students. The Target Foundation believes that it is becoming increasingly more difficult for schools to provide enriching opportunities for their students outside of the classroom. In order to assist educators, The Target Foundation will award up to \$700.00 to provide assistance in facilitating educational field trips.

The grant funds will be used to support the Visual Arts program at Milor High School. The Visual Arts program includes creating art as well as the study of art history and art criticism. In order to provide an immersive experience in the area of art criticism and art history, the students will be offered the opportunity to take a guided tour of the Metropolitan Museum of Art in New York City.
